# Magnitude of Blindness

The incidence of blindness is rampant in Mathura district.

- ✂ Current estimated population ~~283~~ 283 lakhs
- ✂ Annual incidence of cataract is 26,206
- ✂ Estimated surgeries done is 9,750 p.a.
- ✂ There is a deficit of 16,456 surgeries p.a
- ✂ Estimated backlog as on date is 62,895
- ✂ Estimated backlog in the next 5 ~~years~~ years estimated to be 145,176

With the current infrastructure, we perform 4000 Cataract Surgeries p.a. With existing manpower, we can perform 15,000 surgeries p.a.

Hence there is a dire need for expansion.
